Report No E2 P R 37/46-47 dated 17th September 1946 from the Municipal Engineer

---

Two Woddars on Rs 26 and Rs 23 have been sanctioned in the permanent Gang Establishment of this section in G O No L 790-1/M1 32-21-27 dated 26-7-1922 Though they are designated as Wodders, they are doing the work of Masons and their work is almost in the nature of Masons

The revision of pay of the Masons of the Engineering Section, fixing the scale in 30-2-40 was submitted last year and was sanctioned by the Government in G O L 9344-5/M1 10-45-188 dated 13-3-1946 While submitting the proposals, the names of these two Wodders were not included in the list of Masons as they were designated as Wodders and no idea about the revision of pay of these Wodders was thought of

Now these Vodders namely Chinnappa and Hemanna have represented that they were also doing the work of the masons in the divisions before they were posted as Vodders and have requested to raise their pay on the same scale of the Masons

These two Wodders are working in this Municipality for more than eight years and deserve consideration in these hard days Their pay may also be revised and fixed in the scale pay of Masons viz Rs 30-2-40 from the date on which the pay of the Masons has been revised (from 13-3-1946) The proposal is also submitted herewith for favour of placing before the Managing Committee for approval

The extra cost involved in this behalf is only Rs 279 per annum and necessary provision may kindly be made in the current year's budget by reappropriating the Budget Grant
